INTRODUCTION

Beijing Normal University (BNU) was founded in 1902 and is one of the most prestigious universities in China. As per the QS World University Rankings 2018, BNU ranks 8 among universities on mainland China. The Belt and Road School (BRS) is located in BNU’s Zhuhai campus in the Guangdong - Hong Kong - Macau Greater Bay Area, which is one of the most economically vibrant regions in the world. To support the Belt and Road Initiative and the development of the Guangdong - Hong Kong - Macau Greater Bay Area, BRS is encouraging applications from excellent graduates in Economics, Management, Political Sciences, Law and in any of the other relevant fields to enroll, according to their qualifications, in either the Master of Business Administration (MBA) or the Master of Public Administration (MPA) programs offered in BNU’s Zhuhai Campus.

Rich Educational Experience

BRS focuses on training high-quality management talents. International students from 51 countries have graduated from BRS since the launch of the Belt and Road Initiative.

World-Class Faculty

The faculty of the Master’s programs consists of professors from top ranking universities, specialists and scholars, former politicians, leaders from the international financial community and managers from global companies. Our distinguished faculty members include: L. Enrique Garcia, former Executive President of CAF – Development Bank of Latin American; Doojurt Gobi, former Prime Minister of Kyrgyzstan; Rajat M. Nag, former Managing Director General of Asian Development Bank; Zlatko Lagumdžija, former Prime Minister of Bosnia and Herzegovina; Grzegorz W. Kolodko, former Deputy Prime Minister and Finance Minister of Poland, etc.
PROGRAMS

BRU offers a Master of Business Administration (MBA) program and a Master of Public Administration (MPA) program. Each program requires two-year full-time study and all classes will be taught in English.

The total tuition for each program is 62,000 RMB. BRU will offer full or partial scholarships based on the overall assessment of the applicants.

When a student has fulfilled all credit requirements and passed the thesis defense, BUU will grant the appropriate degree of Master of Business Administration or Master of Public Administration.

MBA Program

The MBA program provides a high qualification in different management disciplines, building on solid analytical skills. Students will get familiar with international business strategy and have a strong sense of social responsibility. By acquiring an in-depth understanding of the mission, goal and opportunities of the Belt and Road Initiative and the Guangdong-Hong Kong-Macau Greater Bay Area, students will become management elites capable of seizing new development opportunities.

MPA Program

The MPA program aims at developing decision makers who have not only mastered basic theories, methods and techniques of public administration and public policy, but also specialized in cross-cultural communication and cross-cultural management. Through an in-depth understanding about the historical background, mission and public policies of the Belt and Road Initiative and the Guangdong-Hong Kong-Macau Greater Bay Area, students will become professionals who can handle increasingly complex public affairs.

Major Courses

Introduction of the Belt and Road Initiative;
The Development and Management of the Guangdong-Hong Kong-Macau Greater Bay Area;
